

Product parameters

Accessories:1-Drone□1-Controller□1-Manual

1-USB charging cord□4-Blades

Remote control battery:4/1.5V AA

Battery materials:Li-po battery/3.7V / 700MAH

Product color□green- black

Color box size□45*11*35.5

Product size□40*40*10

Charging information□USB charger

Card reader□Yes

Frequency:2.4G+5.8G

Charging time: 60 MIN

Camera pixels: 0.3 M, 2 M

Memory card: 4 g

Min flight (remote control) time (English) : > 5 min

Flight (remote control) from m (English) : 150 m

REH53 1331

SKY HAWK RC drone with 5.8GHz FPV+2.0MP

- Headless mode
- A key return
- Set high mode
- HD aerial

The fuselage size

Referring mechanics lightweight design

Headless mode

More relaxed, more free full flight.

Change direction at any time and place, the flexible flight.
