The advertisement features a red and black RC Buggy car with large, treaded tires, set against a background of a city skyline at night with light trails. The car is shown from a side-rear perspective, appearing to be in motion. The text is overlaid on the image, with the main title in large, bold, white letters. Below the title, there is a line of smaller text providing technical specifications. Two white boxes with rounded corners contain the text '2.4G' and '4WD 1:18'. At the bottom of the image, there is a blurred, high-speed shot of a different RC car, a Truggy, with the text 'RC Car Truggy High Speed' overlaid in a similar bold, white font.
